Magandang araw po sa lahat.

Taos puso po akong humihingi ng paumanhin sa caricature na iginuhit at ni-post ko.
Hindi ko po intensyon na manakit o pagtawanan ang kondisyon ng kahit sino.
Kulang po ako sa pag-iisip at hindi ko naisip yung magiging epekto nito.

Humihingi po ako ng sorry sa taong nadamay, sa pamilya niya, at sa lahat ng na-offend.
Tinanggal ko na po yung post at magsisilbi po itong aral sa akin bilang artist.

Pangako po na mas magiging maingat at responsable na ako sa mga susunod kong gawa.

Salamat po.

'HINDI NA RIN SURPRISING'

Hindi na raw nagulat si Sen. Ping Lacson sa pagbawi ng testimonya ng dating security aide ni Zaldy Co na si Orly Guteza tungkol sa pag-deliver umano ng male-maletang pera sa bahay ni dating House speaker Martin Romualdez.

"Naging ‘one dime a dozen’ na ang baliktaran ng testimonya ng Maleta Boys kaya hindi na rin surprising na ang original Maleta Boy aka 'Basura' na si Orly Guteza ay bumaliktad na rin," saad ni Lacson.

"Sa lengguwahe ng mga mandurugas, 'lagareng hapon' yata ang tawag nila diyan — doble-kita, or 40-40 vision," dagdag niya.

Binira ni Akbayan Party-List Rep. Perci Cendaña ang isang artist na ginawang katatawanan ang kanyang mukha.

Ayon kay Cendaña, hindi sining ang pambabastos sa mga taong may disability.

Kapag ang isang bata ay kayang manood, maglaro at makakita ng violence for hours every day, we cannot pretend walang epekto iyon.
The times have changed, and our laws must catch up.
I support a serious social media ban for children.
Noong panahon namin, cartoons taught good versus evil, family and standing up for what is right.
Ngayon, many kids are growing up surrounded by violent content and addictive platforms.
We need to act before this becomes normal.

Magandang araw po sa lahat.

Taos puso po akong humihingi ng paumanhin sa caricature na iginuhit at ni-post ko.
Hindi ko po intensyon na manakit o pagtawanan ang kondisyon ng kahit sino.
Kulang po ako sa pag-iisip at hindi ko naisip yung magiging epekto nito.

Humihingi po ako ng sorry sa taong nadamay, sa pamilya niya, at sa lahat ng na-offend.
Tinanggal ko na po yung post at magsisilbi po itong aral sa akin bilang artist.

Pangako po na mas magiging maingat at responsable na ako sa mga susunod kong gawa.

Salamat po.

Do foolish things, and reap the consequences.

Hindi tayo balat-sibuyas. We are no strangers to political attacks, and we welcome fair and genuine criticism. Hindi tayo mananatili sa halos tatlong dekada kung mahina ang loob natin. But there is a clear line between political satire and outright discrimination.

When political attacks stoop to mocking the appearance and physical condition of persons with disabilities, especially a stroke survivor, we draw that line. This is the reason why RA 7277 or the Magna Carta for Disabled Persons protects PWDs from vilification, ridicule and discrimination.

Political caricature is one thing, ridiculing a person's disability is another. There is a world of difference between the two, and no amount of political disagreement justifies crossing that line.

This is no longer just about Akbayan Rep. Perci Cendaña. This is for every person with a disability who has been mocked, discriminated against, or treated with cruelty because of how they look or the condition they live with. We make a stand for them.

reviews.[6] While the performances of Scheider, Gary and Hamilton, the special effects, and John Williams' musical score were praised, it received criticism for essentially duplicating the formula of the first film. However, in retrospect, the film is generally regarded as the best of the three *Jaws* sequels. It was briefly the highest-grossing sequel in history until *Rocky II* was released in 1979. The film's tagline, "Just when you thought it was safe to go back in the water..." has become one of the most famous in film history and has been parodied and homaged several times.[7] It was followed by *Jaws 3-D* in 1983.

Cincinnati Open: Top seed Aryna S...
bbc.com

2 hours ago

Aryna Sabalenka's preparations for her US Open title defence suffered another blow as she crumbled in a surprise defeat by Sara Bejlek in the fourth round at the Cincinnati Open.

The Belarusian top seed was 5-1 up in a first-set tiebreak and 4-1 in front in the second set, but Czech Bejlek rallied back on both occasions to win 7-6 (9-7) 6-4.

Sabalenka's position as world number one is now under threat, with Elena Rybakina able to replace her at the top of the rankings if she reaches the Cincinnati final.

The 28-year-old is bidding to become the first woman to win three successive US Open titles since Serena Williams in 2014.

However, her build up to the New York major - which begins on Sunday, 30 August - has been far from ideal with early losses in both Cincinnati and Toronto.

Since winning the "Sunshine Double" at Indian Wells and Miami in March, Sabalenka has reached just one semi-final, which she lost to Jessica Pegula in Berlin.

Meanwhile, it is the first time that Bejlek, ranked 35th in the world, has defeated a top-10 opponent and reached a WTA 1000 quarter-final.

A father who died alongside a woman and a teenage girl off the Sussex coast on Tuesday was a Palestinian refugee, the Palestinian embassy has said. The embassy in London named him as Hossam al-Khawas from the Rashidieh camp in Lebanon. The embassy said it was unable to confirm the names of the other family members. Al-Khawas is thought to have gone into the water to swim with three other family members near Shoreham Fort in Shoreham-by-Sea, West Sussex, on Tuesday afternoon. Police, paramedics, coastguard crews and a lifeboat attended the scene, where four people were pulled from the water. A younger girl from the same family was taken to hospital in a critical condition. Andy Burnham said the incident was “a terrible family tragedy” and a reminder of the dangers of open water swimming.

🇨🇳 CCP propaganda and brainwashing help explain why generally mainland Chinese nationals display obnoxious, ill-mannered, and arrogant behavior abroad.

Yesterday, at Kuala Lumpur International Airport, a female Chinese national was reprimanded for obstructing other passengers while livestreaming on TikTok. After ignoring requests to stop livestreaming, her cellphone was confiscated.

She went berserk, issuing threats against Malaysia, Singapore, and Japan. The woman demanded that all three countries “surrender to China” and threatened that everyone would die if her demands were not met.

Noong 2009, isang 12-anyos na batang violinist sa Brazil ang nakuhanan ng isang emosyonal na larawan habang tumutugtog sa libing ng kanyang mentor.

Ang mentor niya na si Evandro João da Silva ay isang lider ng AfroReggae, isang grupo na gumagamit ng musika at sining para tulungan ang mga kabataan sa mahihirap na lugar sa Rio de Janeiro.

Sa libing ni Evandro, tumugtog ang bata kasama ang iba pang miyembro ng grupo. Habang tumutugtog, hindi niya napigilan ang pag-iyak.

Nakunan ng photographer na si Marcos Tristão ang sandaling iyon, at kalaunan ay kumalat online ang larawan.

Naging simbolo ito ng matinding lungkot at kung gaano kalaki ang naging epekto ni Evandro sa mga kabataang kanyang tinulungan.

BUBONG NA LANG ANG NAKIKITA

Nalubog sa tubig at buhangin ang ilang bahay sa Brgy. Sta. Fe sa San Marcelino, Zambales bunsod ng pag-apaw ng tubig sa Sta. Fe River dahil sa halos tatlong linggong pag-ulang dala ng Southwest Monsoon o Habagat.

Undeniably, none of this is supposed to be a reality a child should face when they go to school. Students are supposed to carry the hope to learn, not the mental dread of fear and crippling anxiety that one might be in sudden danger at any minute of the day.

Catholic: “That’s exactly my point. How can we know Jesus Christ without the Church that He established? Remember, the Apostles preached and taught even before the New Testament was completely written. AN URGENT APPEAL
Today, only a day after National Aspin Day, I received an incident report from one of our faculty members on the alleged poisoning of our aspins on campus. To one and all, I appeal to your sense of outrage that such a cruel - and yes, absolutely illegal - act can be committed in our midst. A detailed account of the latest incident will be made available by the University in the coming days. For now, I ask all members of the UPV community, in all our campuses and facilities, to report incidents of animal cruelty and abuse, to be vigilant and provide security personnel with actionable information on who might be doing this, and to do whatever is necessary, within the bounds of the law, to stop acts of cruelty and abuse directed at our campus animals. This cannot go on.

Public Criticism Has Limits: Malice Is Not Protected Speech

When the Court said that public officials must not be "onion-skinned," as reiterated in Labargan v. People (G.R. No. 246824, December 6, 2023), it referred only to fair and honest criticism about how they perform their duties. Public officials are expected to tolerate criticism in relation to their official functions as part of public accountability. This does NOT include malicious statements or attacks on their private life that are NOT related to their official work.

We strongly **#condemn** the post by **#Boylyak**, which portrays a public official as a different gender through a manipulated image. This is not fair criticism. It is meant to mock and degrade the person. Being a public figure does not mean a person can be ridiculed or attacked in their private life.

Such acts go beyond criticism and amount to defamation.

ON THE RELENTLESS ATTACKS ON MY PERSON AND MY MEDICAL CONDITION

Ilang taon ko nang pinapalagpas ang araw-araw na paninira at personal na pag-atake sa akin, online man o offline. Hindi na ito bago. Bilang public official, bahagi ng trabaho ang pagiging subject sa public scrutiny and criticism. Hindi rin dapat maging balat-sibuyas ang isang public official. Gaya nga ng kasabihan, "If you can't take the heat, get out of the kitchen."

Pero may hangganan ang lahat.
Kamakailan, mas naging personal at mapanira ang mga pag-atake ng ilang online trolls laban sa akin. Mas nakababahala, ginagamit na nila ang aking medical condition upang ako ay ipahiya at gawing katatawanan.

Ang kapansanan ay hindi katatawanan. Hindi ito dapat gawing sandata upang laitin, hiyain, o i-dehumanize ang isang tao. Hindi tamang salaulain ang dignidad o halaga ng sinumang tao, may kapansan man o wala.

Bilang isang stroke survivor, hindi ko palalampasin ang ganitong pambabastos. I do this not just for myself but for all stroke survivors and Persons with Disabilities (PWDs) who are subjected to similarly demeaning, degrading and dehumanizing language and attacks.

This serves as a warning to all online pages, influencers, and individuals who have published or amplified these materials. I am consulting with our lawyers on the appropriate legal action that may be taken against those responsible.

'HINDI KO PALALAMPASIN ANG GANITONG PAMBABASTOS'

Akbayan party-list Representative Perci Cendaña released a statement on Thursday, August 20, calling out online attacks targeting his person and medical condition.

Cendaña said he welcomes legitimate criticism and public scrutiny but warned against attacks that cross into harassment, humiliation, and discrimination.

“Bilang isang stroke survivor, hindi ko palalampasin ang ganitong pambabastos,” Cendaña said, adding that he is consulting with his lawyers on appropriate legal action against those responsible.

He also called on online pages, influencers, and individuals who have published or amplified the posts to be mindful of their content, saying attacks against people with medical conditions or disabilities can be degrading and demeaning.

“I will continue to welcome legitimate criticism and public scrutiny. But attacks that cross into harassment, humiliation, and discrimination will be met with accordingly. I will not remain silent,” he said.

WHAT WE KNOW SO FAR:
SHOOTING INCIDENT SA ATENEO DE ZAMBOANGA JHS
AS OF 11:00 AM, AUGUST 19, 2026
• PNP Chief Jose Nartatez Jr.: Na-recover ng mga awtoridad ang isang caliber .40 at isang 9mm firearm na ginamit umano ng Grade 8 student sa shooting incident sa Ateneo de Zamboanga JHS.
• DILG Sec. Jonvic Remulla: Pumasok ang shooter sa paaralan sakay ng kotse ng kaniyang ama kaya hindi ito na-inspeksyon.
• Ayon sa ama ng shooter, naiwan umano ang gun bag sa loob ng kotse.
• Remulla: "We find it highly improbable. Basta uniformed police ka, nasa training na 'yan ng gun safety. Parang asawa dapat, laging dala, hindi iniiwan."
• Na-recover din ng mga awtoridad ang cellphone na ginamit umano ng shooter sa pagla-livestream sa dalawang social media platforms. Iniimbestigahan na ang laman nito kaugnay ng insidente.
• Remulla: Ayon sa Zamboanga City mayor, tinitingnan din ng mga awtoridad kung naimpluwensyahan ng isang gaming platform ang shooter at sanhi ng mababang marka ang insidente.
• Remulla: "Tinitingnan din dahil #1 in class per reports. You have to understand, it is barely 26 hrs since it happened. 'Di pa na-i-interview ang teacher."
• Dumalaw si VP Sara Duterte sa mga nadamay sa insidente at sa burol ng biktima. Nagtungo naman sa Zamboanga si DepEd Sec. Sonny Angara upang makipagpulong sa mga awtoridad. Papunta rin sa Zamboanga sina Remulla at Nartatez.
• Ayon sa mga awtoridad, nailibing na ang shooter habang patuloy ang imbestigasyon sa motibo ng pamamaril.

Good morning, everyone. Regarding the school shooting threat at our school, please remain calm and do not panic. However, please do not take this as a joke. Let us treat this as a serious situation.
If you are afraid to go to school or have concerns about your safety, please stay at home and inform your parents and adviser. For students who are going to school today, please stay alert, be aware of your surroundings, and avoid unnecessary risks.

Isinisisi ni Robin ang gun violence sa Juvenile Law, pero yung pinagmamalaki niyang "Robin Padilla Law" ang nagpalaya sa mga may hawak ng loose firearms sa pamamagitan ng madaling piyansa.

Sino ngayon ang kakampi ng kriminal?

RESIBO VS. GUTEZA?

Iginiit ng abogado ng 18 bodyguards na si Atty. Levi Baligod na sangkot umano si Orly Guteza sa pag-deliver ng male-maletang pera.

Kasunod ito ng pagbawi ni Guteza, dating security aide ni Zaldy Co, ang kanyang salaysay sa pagdinig ng Senate Blue Ribbon Committee na nag-deliver umano siya ng male-maletang pera sa bahay ni dating House speaker Martin Romualdez.

Sa kaniyang sworn affidavit na may petsang Aug. 13, isiniwalat ni Guteza na sina Sen. Rodante Marcoleta at dating congressman Mike Defensor umano ang nasa likod ng pagtestigo niya sa Senado.

TINGNAN: Ang pagpirma ng sundalong si Orly Guteza sa kaniyang bagong affidavit, kung saan binawi niya ang nauna niyang salaysay na nag-deliver siya ng male-maletang pera sa bahay ni dating House Speaker Martin Romualdez.

Sinabi rin niyang sina Sen. Rodante Marcoleta at dating Rep. Mike Defensor ang nasa likod ng kaniyang pagharap sa Senado noong September 2025.

Ayon pa kay Guteza, may kapalit umanong pera at scholarship para sa kaniyang mga anak ang kaniyang pagharap sa Senado, kung saan babasahin lamang daw niya umano ang inihandang affidavit sa pagdinig.

Sinusubukang kunan ng pahayag ng GMA News sina Marcoleta at Defensor.

PRESS STATEMENT

August 20, 2026

Hindi bago ang recantation sa mga high-profile case. Classic pressure tactic ito. Hindi umiikot ang buong imbestigasyon sa iisa o kahit sa iilang witnesses.

Sa kabila nito, ipinapaalam ng Office of the Ombudsman na mayroon itong **DALAWAMPU'T-WALONG (28)** testigo na nakahandang magbigay ng direkta at materyal na kaalaman sa mga transaksyong sinisiyasat sa kaso ni dating Speaker Martin Romualdez. Nasa ilalim na sila ng legal na proseso sa ngayon.

Ito'y mga taong nakauniporme at aktibo pa rin sa serbisyo.

Sa lahat ng nabigyan na o mabibigyan pa ng legal na proseso, hindi choice ang pakikipagtulungan. Obligasyon 'yan sa batas. Sinuman ang mangahas humadlang, mangbara o manggulo sa proceedings ng Ombudsman ay haharap sa buong bigat ng batas.

IN LOVING MEMORY OF MY FIRST COUSIN, MY LITTLE SISTER, VANESSA 🤍

To our dear friends, relatives, and everyone who knew and loved Vanessa,

It is with the heaviest heart that I share the heartbreaking news of the passing of my beloved first cousin and little sister, Vanessa Blanca Quillo Rangadhol, who tragically passed away today, August 19, 2026, following an accident at the condominium where she was staying in Manila.

Vanessa was the only daughter (única hija) of my aunt, Anabella Quillo-Kalinski, making this loss even more heartbreaking for our entire family. She was not only my cousin, but also someone I cherished and considered my little sister. 🤍

At this painful time, we humbly ask everyone to please give her immediate family, especially her mother and loved ones, the time, space, and privacy they need to mourn and grieve.

Details regarding Vanessa's wake and funeral arrangements will be announced once the family has made the necessary arrangements.

REMULLA, NANINIWALANG MAY IMPLUWENSIYA NG ROBLOX ANG SUSPEK SA TRAHEDYA SA ZAMBOANGA

Naniniwala si Department of Interior and Local Government (DILG) Secretary Jonvic Remulla na mayroong impluwensya ng Roblox ang ginawa ng suspek sa trahedya sa Ateneo de Zamboanga University Junior High School.

Ayon kay Remulla, makikita na mayroong palatandaan ang ginawa ng suspek na maihahalintulad sa nasabing laro.

Nilinaw naman ni Remulla na hindi maituturing na delikadong laro ang Roblox, ngunit ginagamit umano ang chat feature nito ng mga masasamang tao para mang-impluwensya ng mga kabataan na gumawa ng hindi maganda.

"Roblox in itself is not a dangerous game. It is the chat, it is the chat group that is beside it don nagkakaroon ng radicalization," aniya.

Iminungkahi naman ni Remulla na tignan kung magiging epektibo ba sa Pilipinas ang ginawa ng Australia na ipagbawal ang social media sa mga kabataan.

'WE NEED TO ACT BEFORE THIS BECOMES NORMAL'

Senator Migz Zubiri expressed his support on banning social media for children on Wednesday following the tragic school shooting in Zamboanga City, which left two people dead yesterday, August 18, 2026.

"Ngayon, many kids are growing up surrounded by violent content and addictive platforms," he wrote in a post on X.

Interior Secretary Jonvic Remulla said that investigators are also examining the suspect's social media accounts, gaming history and chat records, "so we can come up with a complete answer, including the complete forensic analysis of why this happened."

Hindi ninyo kailangang maging anti-Duterte. Ang hinihingi lang ay maging pro-principle kayo kahit inconvenient.

Dahil hindi obligasyon ng Pilipino na ipagtanggol ang politiko.

Obligasyon ng politiko na patunayang karapat-dapat siyang ipagtanggol.

At baka isang araw, ibang politiko na ang gumagamit ng mga kapangyarihang ipinagtanggol ninyo at ng mga precedents na kayo mismo ang tumulong gawing normal.

Kaya hindi ito simpleng usapang pro-Duterte o anti-Duterte.

Mas fundamental ang tanong:

May prinsipyo ba tayong handang ipaglaban kahit kalaban natin ang nakikinabang?

At may limitasyon ba tayong ipapataw sa kapangyarihan kahit paborito nating politiko ang nahihirapan dahil dito?

Subukan ninyo ang pinakasimpleng test:

Kung kalaban ko ba ang gumawa nito, ipagtatanggol ko pa rin?

Kung hindi, hindi prinsipyo ang ipinaglalaban ninyo.

Loyalty iyon.

Panatismo iyon.

Hindi ninyo kailangang maging anti-Duterte. Ang hinihingi lang ay maging pro-principle kayo kahit inconvenient.

Aug 20, 2026 09:27:53

Pero ang COA na pinahina ninyo, ang korte na tinuruan ninyong huwag igalang, ang press na tinuruan ninyong kamuhian, ang due process na ginawa ninyong optional, at ang precedent na ginawa ninyo para protektahan ang paboritong politiko ay puwedeng manatili nang mas matagal kaysa sa politiko mismo.

At doon nagiging tunay na mapanganib ang panatismo.

Dahil puwedeng ilang taon lang ang termino ng idolo ninyo, pero ilang henerasyon ang magbabayad sa institusyong sinira para sa kanya.

Great democracies survive not because they always elect great people, but because they build institutions strong enough to restrain even bad ones.

Kaya huwag ninyong ipagpalit ang isang permanenteng safeguard para sa temporaryong politiko.

Huwag ninyong sunugin ang bahay para lang mapainit ang paborito ninyong bisita.

Dahil darating ang araw na aalis din ang bisita.

Kayo ang maiiwan sa bahay.

At baka isang araw, ibang politiko na ang

Aug 20, 2026 09:27:50

Politicians come and go. Great institutions remain.

Pansamantala ang Pangulo. Pansamantala ang senador. Pansamantala ang mayor. Pansamantala ang bawat political dynasty, gaano man kalakas ngayon ang pangalan nila.

Pero ang COA, korte, free press, due process, constitutional checks, at iba pang matitibay na institusyon ang dapat manatiling nakatayo pagkatapos nilang lahat.

Iyan ang buong punto ng institutions: ginawa silang mas permanente kaysa sa personalidad ng sinumang nakaupo.

Dahil ang isang mahusay na bansa ay hindi iyong may pinakamalakas na lider. Iyong may mga institusyong sapat ang lakas para mabuhay kahit sino pa ang lider.

Mawawala ang mga Duterte. Mawawala ang mga Marcos. Mawawala ang lahat ng pangalan na pinag-aawayan natin ngayon. Darating ang panahon na ang mga slogan, campaign colors, rallies, at mga personalidad na halos gawing relihiyon ngayon ay magiging footnote na lang sa kasaysayan.

Pero ang COA na pinahina ninyo, ang korte na tinuruan ninyong huwag igalang, ang press na tinuruan ninyong kamuhian, ang due process na ginawa ninyong optional, at ang precedent na

Aug 20, 2026 09:27:47

Kapag tinanggap ninyong puwedeng pahinain ang COA basta kakampi ninyo ang nasa kapangyarihan, puwedeng gamitin iyan ng susunod na administrasyong galit kayo. Kapag tinanggap ninyong puwedeng maliitin ang due process basta ayaw ninyo ang target, puwedeng kayo naman ang maging target bukas.

Kapag tinanggap ninyong normal ang red-tagging ng critic, huwag kayong magulat kapag balang araw kayo naman ang tawaging kaaway ng Estado. Kapag tinanggap ninyong okay lang ang dynasty basta Duterte, wala kayong principled basis para magreklamo kapag ibang pamilya naman ang gustong maghari nang ilang dekada.

Kapag pumayag kayong ang media ay dapat manahimik kapag inconvenient sa Presidente, tandaan ninyo: hindi habang-buhay Presidente ang gusto ninyo.

Iyan ang hindi nakikita ng panatiko.

Sa pagtatanggol niya sa kapangyarihan ng kanyang idolo, minsan sarili niyang proteksiyon bilang mamamayan ang kanyang binabaklas.

At dito ninyo dapat maalala ang isang simpleng katotohanan tungkol sa demokrasya:

Politicians come and go. Great institutions remain.

Aug 20, 2026 09:27:43

Pakiusap, tingnan ninyo kung ano ang unti-unti ninyong ginawang normal.

Red-tagging kapag mahirap sagutin ang critic. Pagmaliit sa human rights kapag inconvenient sa law-and-order narrative. Pagtrato sa due process bilang luho ng mga taong gusto ninyo. Pagtanggap sa dynasty basta tamang apelyido. Pagkalat ng allegation laban sa kalaban bago mag-verify, pero katahimikan kapag na-debunk.

Attack first, correct never.

At iyan din ang pagkakaiba ng taong naghahanap ng katotohanan sa taong naghahanap lang ng ammunition para sa team niya:

Kapag nagbago ang ebidensiya, ang matinong tao kayang magbago ng isip.

Ang propagandista, nagbabago lang ng topic.

Pero ito ang pinakamahalagang hindi ninyo nakikita.

Kayo rin ang gumagawa ng precedent na puwedeng gamitin laban sa inyo bukas.

Kapag tinanggap ninyong puwedeng pahinain ang COA basta kakampi ninyo ang nasa kapangyarihan, puwedeng gamitin iyan ng susunod na administrasyong galit kayo. Kapag

Aug 20, 2026 09:27:41

Oo, puwedeng magkamali ang mga institusyong iyan. Puwedeng punahin. Puwedeng i-reform. Puwedeng kasuhan ang opisyal kung may misconduct.

Pero ibang usapan na kapag ang gusto mo ay sirain ang referee tuwing hindi pabor sa team mo ang tawag.

At oo, minsan nakakainis ang watchdog.

Iyon nga ang trabaho niya.

Ang COA ay hindi ginawa para maging cheerleader ng Malacañang. Ang CHR ay hindi ginawa para palakpakan ang gobyerno. Ang korte ay hindi ginawa para sumunod sa survey ratings. Ang journalist ay hindi PR officer ng politiko.

Kung gusto ninyo ng institutions na palaging pumapalakpak sa lider, hindi accountability system ang gusto ninyo.

Fan club ang gusto ninyo.

At kapag lahat ng referee ay "biased" tuwing talo ang team mo, baka hindi na referee ang problema.

Pakiusap, tingnan ninyo kung ano ang unti-unti ninyong ginawang normal.

Aug 20, 2026 09:27:38

Dahil kung "wala pang conviction" ang universal excuse natin sa lahat ng public issues, halos wala nang opisyal na puwedeng kuwestiyunin hanggang matapos ang isang kasong maaaring umabot nang maraming taon.

At habang nangyayari iyon, tapos na ang termino. Naubos na ang pera. Nasira na ang institusyon.

Ito ang mas nakakatakot sa ginagawa ninyo.

Sa sobrang pagtatanggol sa isang political family, pati safeguards na ginawa para protektahan kayo ay gusto ninyong pahinain kapag inconvenient sa idol.

COA exists precisely because politicians should not audit themselves. CHR exists because the State has enormous coercive power over ordinary people. Courts exist because even popular governments need constitutional limits. A free press exists because powerful people do not always volunteer inconvenient information. Due process exists because government should never become accuser, judge, and executioner all at once.

Oo, puwedeng magkamali ang mga institusyong iyan. Puwedeng punahin. Puwedeng i-reform. Puwedeng kasuhan ang opisyal kung may misconduct.

Hindi ninyo kailangang ipagtanggol ang bawat kilos ng taong binoto ninyo para mapatunayan na tama ang boto ninyo noon.

Mature citizenship includes the ability to say: “Sinuportahan kita, pero ipaliwanag mo ito.”

Iyan ang demokrasya.

Hindi fan club.

At huwag nating gawing criminal conviction ang minimum requirement bago tayo puwedeng magtanong tungkol sa governance.

Hindi lahat ng masamang pamamahala ay kailangang mauwi muna sa pagkakakulong bago maging legitimate public issue.

May criminal accountability. May administrative accountability. May auditing accountability. May ethical accountability. May political accountability.

Ang tanong sa public official ay hindi lang, “Nakulong ka ba?”

Ang tanong din ay: “Maayos mo bang pinangasiwaan ang kapangyarihan at pera ng bayan?”

Dahil kung “wala pang conviction” ang sagot ang excuse natin sa lahat ng public issues, halos

At dito pumapasok ang isa pang nakasanayang tactic: kapag mahirap sagutin ang dokumento, atakihin ang naglabas. Kapag mahirap sagutin ang finding, kuwestiyunin ang motive ng auditor. Kapag mahirap sagutin ang testimony, sirain ang character ng witness.

Pero hindi nawawala ang dokumento dahil ayaw ninyo sa nag-post. Hindi nagiging false ang finding dahil galit kayo sa auditor. Hindi nasasagot ang argumento sa pamamagitan ng pagmumura sa nagtatanong.

Government is not the country. A politician is not the State.

At ang pagkuwestiyon sa isang Duterte ay hindi pag-atake sa Pilipinas, sa Mindanao, sa Bisaya, o sa mga taong bumoto sa kanila.

Public office is not collective self-esteem.

Hindi personal insult sa botante kapag ina-audit ang opisyal na ibinoto niya.

Sa katunayan, dapat mas gusto mong ma-audit nang maayos ang pinili mong lider. Kung tama siya, makatutulong ang scrutiny para patunayan iyon. Kung mali siya, mas mahalaga ang bansa kaysa sa ego nating mga botante.

Hindi ninyo kailangang ipagtanggol ang bawat kilos ng taong binoto ninyo para mapatunayan

May investigation.

“Persecution.”

May court proceeding.

“Biased.”

May international mechanism.

“Foreign interference.”

At kapag lahat ng institusyon at lahat ng ebidensiya ay invalid sa sandaling hindi pabor sa idol ninyo, seryosong tanong:

Ano ba talaga ang ebidensiyang tatanggapin ninyo?

Kung auditor ay biased, journalist ay bayaran, witness ay sinungaling, Congress ay politika, korte ay conspiracy, at international court ay panghihimasok, baka hindi na ebidensiya ang hinihingi ninyo.

Immunity na.

At dito pumapasok ang isa pang nakasanayang tactic: kapag mahirap sagutin ang dokumento, atakihin ang naglabas. Kapag mahirap sagutin ang finding, kuwestiyunin ang motive ng auditor. Kapag mahirap sagutin ang testimony, sirain ang character ng witness.

Kung corrupt ang kalaban, panagutin. Kung corrupt ang kakampi, panagutin din.

Pero ang “eh sila rin” ay hindi acquittal.

Kung ang depensa mo sa maling ginawa ng politiko ay may ibang politiko ring gumagawa noon, hindi mo pinatunayang tama ang una. Pinatunayan mo lang na marami ang dapat panagutin.

Hindi depensa sa magnanakaw ang existence ng ibang magnanakaw.

At pansinin ninyo rin kung paano nagmo-move ang goalpost kapag Duterte ang usapan.

“Nasaan ang ebidensiya?”

May dokumento.

“Political.”

May audit finding.

“Hindi naman criminal conviction.”

May testimony.

“Sinungaling ang witness.”

May investigation.

“Persecution.”

Kung kakampi, political dynasty is democracy. Kung kalaban, political dynasty is corruption.

Kung kakampi, allegation is not evidence. Kung kalaban, Facebook post sapat na.

Kung kakampi, wait for the courts. Kung kalaban, bakit hindi pa inaaresto?

Kung kakampi, “respect the mandate of the voters.” Kung kalaban, protesta hanggang mapaalis.

Hindi puwedeng ang constitutional principles natin ay nag-iiba depende sa surname ng defendant.

Ang balota ay hindi blank check.

Ang pagkapanalo sa eleksiyon ay mandato para mamuno. Hindi permit para umiwas sa audit, accountability, due process, transparency, o legal limitations.

At isa pa sa paboritong takas sa usapan:

“Eh bakit si Marcos?”
“Eh bakit si Aquino?”
“Eh bakit hindi ninyo imbestigahan si ganito?”

Sige. Imbestigahan din.

Aug 20, 2026 09:27:03

Kung corrupt ang kalaban, panagutin. Kung

Kapag CHR ang nagtatanong tungkol sa human-rights violations, “protektor ng kriminal.” Kapag journalist ang nag-iimbestiga, “bayaran.” Kapag media outlet ang kritikal, “fake news.” Kapag court ruling ang hindi pabor, conspiracy. Kapag international accountability mechanism ang kumikilos, “panghihimasok.”

Kapag critic ang mahirap sagutin, komunista, NPA, destabilizer.

Kapag may tanong sa due process: “Eh kriminal naman.” Kapag may tanong sa dynasty: “Eh binoto naman.” Kapag may tanong sa public spending: “Eh may audit opinion naman.” Kapag may allegation laban sa kakampi: “May conviction ba?”

Pero kapag kalaban ninyo ang pinag-uusapan, allegation pa lang, guilty na.

Iyan ang problema.

Hindi na prinsipyo ang nauuna. Apelyido muna, saka ninyo ina-adjust ang prinsipyo.

Kung kakampi, due process. Kung kalaban, “kulong na.”

Kung kakampi, confidentiality. Kung kalaban, transparency.

Aug 20, 2026 09:26:59

Kung kakampi, political dynasty is democracy.

Pati “unmodified opinion” ginagawa ninyong magic spell, na para bang kapag sinabi iyon ay tapos na ang usapan: wala nang specific audit findings, wala nang disallowance, wala nang questionable transactions, wala nang accountability.

Hindi ganoon iyon.

An audit opinion on financial statements is not a universal certificate of innocence for every transaction undertaken by an agency.

Ganoon din sa confidential funds. Confidential ang sensitibong operasyon. Hindi confidential ang obligasyong patunayang ang pera ng bayan ay ginastos ayon sa batas at rules.

“Eh confidential nga.”

Hindi sagot iyon.

Ang confidentiality ay proteksiyon sa lehitimong sensitibong operasyon. Hindi iyon invisibility cloak laban sa audit.

At dito nagiging malinaw ang mas malaking problema.

Hindi lang COA ang binabanatan ninyo.

Kapag CHR ang nagtatanong tungkol sa human-rights violations, “protektor ng kriminal.” Kapag

Aug 20, 2026 09:26:55

Kapag may audit finding, COA ang masama. Kapag may Notice of Disallowance, auditor daw ang problema. Kapag hinihingan ng dokumento ang confidential funds, parang kasalanan pa ng gobyerno na humingi ng patunay kung saan napunta ang pera ng gobyerno.

Ano na?

Kapag ordinaryong empleyado ang gumastos ng company money, kailangan ng liquidation. Kapag barangay official ang gumastos ng public funds, kailangan ng dokumento. Kapag government agency ang gumastos ng pera ng bayan, natural na may audit.

Pero kapag paboritong politiko ninyo ang tinanong tungkol sa daan-daang milyong piso, biglang auditor pa ang kailangang magpaliwanag kung bakit siya nagtatanong.

Kailan naging persecution ang audit? Kailan naging oppression ang paghingi ng dokumento? At kailan naging patriotism ang pagtatanggol sa politiko laban sa mismong institusyong ginawa para protektahan ang pera ng taumbayan?

Pati “unmodified opinion” ginagawa ninyong magic spell, na para bang kapag sinabi iyon ay tapos na ang usapan: wala nang specific audit findings, wala nang disallowance, wala nang questionable transactions, wala nang accountability.

Dear DDS,

Seryosong tanong: may institusyon pa ba kayong igagalang kapag Duterte na ang iniimbestigahan?

Pakiusap, i-assess n'yo naman kung saan kayo dinala ng panatismo.

Araw-araw naming nakikita ang content at comments ng marami sa inyo at ng mga propagandistang sinusundan ninyo. At nakakaalarma na ang pattern: kapag may institusyong nagtatanong, nag-iimbestiga, nag-a-audit, o humihingi ng accountability sa mga Duterte, ang unang instinct ay hindi sagutin ang issue.

Atakihin ang nagtatanong.

Ngayon pati COA.

COA. Ang constitutional body na trabaho mismo ang bantayan kung paano ginagastos ang pera nating lahat.

Kapag may audit finding, COA ang masama. Kapag may Notice of Disallowance, auditor daw ang problema. Kapag hinihingan ng dokumento ang confidential funds, parang kasalanan pa ng

‘SINUNGALING KA, GUTEZA’

Pumalag si dating Comelec commissioner Rowena Guanzon matapos siyang banggitin ni Orly Guteza sa pagbawi nito ng testimonya tungkol sa pag-deliver ng male-maletang pera sa ilang opisyal ng gobyerno.

Ayon kay Guteza, matapos niyang tumestigo sa Senate hearing noong Sept. 2025, may nag-alok umano sa kanya ng contact kay Guanzon mula sa opisina ni Sen. Rodante Marcoleta.

Ito raw ay para makahingi siya ng tulong sa pag-revise ng kanyang affidavit para sa planong case filing. Pero hindi raw nakipag-ugnayan si Guteza kay Guanzon.

Nauna nang binawi ni Guteza, dating security aide ni Zaldy Co, ang testimonya niya laban kay dating House speaker Martin Romualdez.

Indonesia recorded nearly 95,000 hectares of land burned by wildfires in July, almost twice the area affected during the previous six months combined. Forestry ministry data linked the surge to the intensifying El Niño weather pattern, which is bringing hotter and drier conditions and increasing the risk of fires.

Sa online press conference nitong Miyerkules, August 19, 2026, sinabi ni Kapunan na maaaring makaapekto sa pananaw ng kabataan ang mga pahayag ng mga lider tungkol sa karahasan at pagbabanta.

“‘Yung mga values ng leaders natin, ‘yun ang nakikita ng mga kabataan ngayon,” ani Kapunan.

Sinabi niya ito kasunod ng pamamaril sa Ateneo de Zamboanga University Junior High School noong Martes, August 18, kung saan dalawang menor de edad ang nasawi, kabilang ang suspek.

Our baptism is not just a ceremony. It is our personal sharing in Christ's own sanctifying bath — the source of every grace that follows.

✅ The Catechism of the Council of Trent (the Roman Catechism) teaches this clearly: "The Lord is baptized, not because He had need to be cleansed, but in order that, by the contact of His pure flesh, He might purify the waters and impart to them the power of cleansing."

✅ St. Augustine beautifully echoes the same truth: "Our Lord was baptized because He wished, not to be cleansed, but to cleanse the waters, that, being purified by the flesh of Christ that knew no sin, they might have the virtue of baptism."

This is why there is only one baptism in the Church. As St. Paul declares: "There is one Lord, one faith, one baptism." (Ephesians 4:5)

When we are baptized in the name of the Father, and of the Son, and of the Holy Spirit, we are united to Christ's own baptism — immersed into His death and raised with Him to new life (Romans 6:3-4). All the baptisms of the world, across every nation and century, flow from and are sanctified by that single moment in the Jordan.

Our baptism is not just a ceremony. It is our personal sharing in Christ's own sanctifying bath — the source of every grace that follows.

Even though He was completely without sin and had no need of repentance, our Lord Jesus Christ humbly came to the Jordan River to be baptized by St. John the Baptist. Why?

Jesus answered John: "Let it be so now; it is proper for us to do this to fulfill all righteousness." (Matthew 3:15)

The deepest reason goes far beyond example or humility. Jesus was baptized so that every baptism after Him — performed in His name — would be sanctified and united to His one perfect baptism.

✅ He did not enter the waters to be cleansed. He entered to cleanse the waters by the contact of His most pure and holy flesh. By embracing baptism, He consecrated it forever, transforming it from a mere ritual of repentance into a life-giving sacrament filled with divine power.

✅ The Catechism of the Council of Trent (the Roman Catechism) teaches this clearly: "The Lord is baptized, not because He had need to be cleansed, but in order that, by the contact of His pure flesh, He might purify the waters and impart to them the power of cleansing."

'DI KAILANGAN ANG ARAW-ARAW NA PRESENSYA

Sinagot ni 1st District Davao City Rep. Paolo Duterte ang hamon ng Akbayan Citizens' Action Party kay Vice Pres. Sara Duterte na dumalo sa gumugulong niyang impeachment trial kung talagang nais niyang mapabilis ang proseso nito.

"Alam ng bawat abogado na hindi kailangan ang araw-araw na presensya ng ating VP sa impeachment trial unless kung gusto niyo lang siyang ipahiya," saad ng kongresista sa isang post.

Giit ni Rep. Duterte, kung nais nilang marinig ang depensa, dapat hayaang gawin ng mga abogado ng bise ang trabaho nila.

"Ang mahalaga ay ang ebidensya, ang due process, at ang patas na pagdinig," aniya.
